Good practices

- Passing down the School Song that embodies the university's founding principles in its lyrics over the 99 years since its foundation, the university endeavors to promote understanding, diffusion, and fostering of its founding principles among students, faculty, and staff at every opportunity. These initiatives are worthy of evaluation.

- The Health Care Center is a Saitama Prefecture-accredited clinic and operates under a system whereby the center is staffed by an occupational physician and public health nurses at all times. This initiative is worthy of evaluation.

- Students themselves verify the degree to which they have achieved the university's diploma policy using learning portfolios on the university's Comprehensive Education System portal site. This initiative is worthy of evaluation.
