### Good practices

- The graduate school has a rich system of career support, providing career guidance courses within the curriculum that demonstrates its unique characteristic of being a professional graduate school in the field of beauty business. This initiative is worthy of evaluation.
- Utilizing the fact that enterprises affiliated with the graduate school's incorporated entity run beauty-related businesses, the graduate school provides practical beauty business-related education including visits to cosmetics companies/factories and beauty salons as well as lectures by corporate executives involved in management. These initiatives are worthy of high evaluation.

### Recommendations for improvement

- With regard to degree awarding, the Faculty Council should express their opinions as part of the President's decision-making process, but this is not stipulated in the Faculty Council Regulations, and improvements are required.
