Good practices

- In order to provide even better students support the university implements Surveys of the Level of Student Satisfaction and School Life in collaboration with the IR Promotion Office, ascertains and analyzes students' opinions and requests about learning and class instruction support, and utilizes the results of considerations. These initiatives are worthy of high evaluation.
- The links between the diploma policy and curriculum policy are shown, a curriculum map that shows at a glance the connections between the groups of courses has been prepared, and all of these are shown in the syllabus. These initiatives are worthy of evaluation from the perspective of increasing students' understanding.
- The committees supporting the various activities to assist education and research of the university involve the participation not only of faculty members but also of staff members such as division managers who serve as members such as deputy-chairs, and education and learning management collaboration between faculty and staff is implemented. This initiative is worthy of evaluation.
