Standard 5. Management, Administration and Finance	Satisfied
Standard 6. Internal Quality Assurance	Satisfied

Good practices

- The affiliated facilities such as the osteopathic clinic, animal clinic and nursery school are located on the university campus, and these are used by students as facilities for professional and practical training. This initiative is worthy of evaluation.
- Since 2018 the Teikyo University of Science self-inspection and evaluation newsletter “TUS-UP” has been published, and the university seeks to provide and share information about topics in higher education such as the state of its self-inspection and evaluation, and policy for education and learning management. This initiative is worthy of evaluation.
