### **Good practices**

○A journal club has been established as an opportunity for faculty members to disclose the state of their research to each other, and in addition to the sharing of information and exchange of opinions between researchers in different fields, it provides an opportunity to start new joint research. This initiative is worthy of evaluation.

### **Recommendations for improvement**

○Among the items stipulated in Article 93, paragraph (2), items (i) and (ii) of the School Education Act, with regard to student admission and conferral of degrees the Faculty Council Regulations do not state that the Faculty Council offers its opinions to the President, and improvements are required.
