Good practices

- The university's various common facilities and equipment for the attainment of educational targets, such as the Bunka Gakuen Fashion Resource Center, are highly satisfactory, and a comfortable learning environment has been put in place. This initiative is worthy of evaluation.
- The relationships among the curriculum policy, diploma policy, and university courses are clearly and concisely visualized in the curriculum map. This initiative is worthy of evaluation.
- The Self-Inspection and Evaluation Sheets that have been introduced in the Division of Fashion Creation's project-based courses are extremely useful in achieving transparency in learning outcomes and the mutual understanding among faculty members and students of objectives to be attained. This initiative is worthy of high evaluation.
- Internal audits are conducted in line with the stringent procedures provided in the Regulations for Audit by the Audit Office of the Educational Foundation Bunka Gakuen, and a mechanism is in place for making recommendations contributing to reforms and improvements. This initiative is worthy of evaluation.

Recommendations for improvement

- The fact that the Board of Directors and Councilors deliberate and approve the auditors' audit report is inappropriate in light of the aim of audit by auditors, and improvements are required.
