None.

Recommendations for improvement

- The President has not stipulated and publicized in advance the important points regarding education and research in which it is essential to seek the opinions of the Faculty Council and Graduate School Committee as stipulated in Article 93 of the School Education Act. Accordingly, improvements are required.
- In deciding student admissions, the Faculty Council or Graduate School Committee do not convey their opinions to the President. Accordingly, improvements are required.
- There are items in the area of education and learning management that need to be improved and it cannot be said that functionality of internal quality assurance is sufficient. Accordingly, improvements are required.
