Standard 6. Internal Quality Assurance	Satisfied

Good practices

- The university endeavors to improve parents'/guardians' understanding of its education and research by publishing the KDUi information magazine for students' parents/guardians and regularly holding Education Meetings for parents/guardians. These initiatives are worthy of evaluation.
- In order to handle increases in the number of international students who are enrolling, the university is formulating various measures including adding Japanese Communication I and Japanese Communication II to the graduate school curriculum. These initiatives are worthy of evaluation.

Recommendations for improvement

None.
