### Good practices

- The university has implemented a system whereby students support students, such as International Student Supporters, New Entrant Supporters (*Buchi* Supporters), and Library Supporters, and the system has been very well received by students. This initiative is worthy of evaluation.
- The university has established Baiko Gakuin University Faculty and Staff Scholarship Regulations and supports efforts by faculty and staff to acquire work knowledge and skills by providing scholarships. This initiative is worthy of evaluation.

### Recommendations for improvement

- Improvements are required in order to improve university-wide systems for prescribing evaluation measures and indicators for learning outcomes to carry out inspections.
- Accounts settlement and business performance are deliberated by the Board of Directors and referred to the Board of Councilors to be discussed. Following discussion by the Board of Councilors, these matters are approved by the Board of Directors. However, improvements are required so that following approval by the Board of Directors, a report is made to the Board of Councilors and their opinions sought in accordance with Article 46 of the Private Schools Act.
- There are items requiring improvement with regard to the system for evaluating and inspecting learning outcomes and Board of Directors/Board of Councilors operating methods, and improvements are required to resolve the problems with the functionality of the internal quality assurance system.
