Good practices

- Selected to participate in MEXT's Acceleration Program for University Education Rebuilding (AP), the university has been earnestly promoting active learning and visualizing learning outcomes for six years, and the ex post evaluations by the AP Committee also recognize the university's achievements. These initiatives are worthy of evaluation.
- The university's JOB HUNTING GUIDE covers information related to job-hunting activities and is an outstanding career support tool. This initiative is worthy of evaluation.
- With regard to the diploma policy for each department and course, having already presented students with more concrete targets (diploma supplement items), the university distributes Diploma Supplements when students graduate, enabling them to know and comprehend their individual learning outcomes. This initiative is worthy of evaluation.
- The university has set up a subsidy system aimed at contributing to staff obtaining qualifications and/or undertaking self-improvement by providing self-development training assistance, thereby promoting self-development. This initiative is worthy of evaluation.
