### Good practices

- In the area of career guidance, the university's Long Distance Transport Expense Assistance System available under a certain set of conditions is worthy of evaluation for the economic assistance it provides for students taking recruitment examinations and going to interviews.
- The Seiko Tanabe Museum of Literature and the Shoin Picture Book Library for Parents and Children are both effectively used in the university's social contribution and students' learning, and this is worthy of evaluation.
- With regard to FD (faculty development), in order to encourage participation, an FD Point System is implemented in which points can be obtained for participating in or serving as a speaker at lecture meetings and training workshops, in addition to which those who obtain an outstanding number of points receive an award from the President. These innovative and positive initiatives are worthy of evaluation.

### Recommendations for improvement

- The fill rate of the total capacity of the Faculty of Liberal Arts' Department of Japanese Language and Literature is under 70% and improvements are required.
