Recommendations for improvement

- The fill-in rates of enrolled students in the Faculty of Education's Department of Childhood Education, the Faculty of Education's Department of Child Education, and the Faculty of Creative Life's Department of Human Life and Culture are all under 70% of total capacity and there is a need for improvements.
- In order to maintain a fiscal balance in finance number materials such as balance of educational activity's income and expenditure to total educational activity's income and ensure a stable financial base, improvements are required to income and expenditure based on a mid-and long-term finance plan.
