Good practices

- With regard to the Core Module Learning Program that is the main pillar of the educational curriculum and the Community Service Learning Program that forms its core, the General Education Center plays a central role in making fundamental reviews through the inspection and evaluation of learning outcomes, and improvements are attempted. This initiative is worthy of evaluation.
- With regard to the cross-university SD (staff development) training workshops, ingenuity is displayed in the sharing of knowledge and information concerning the care support system for students with disabilities, and its content is thorough. This initiative is worthy of evaluation.

Recommendations for improvement

- Faults are observable in the accuracy and integrity of the figures providing vital evidence of the incorporated entity's management and self-inspection and evaluation activities in the Incorporated Educational Institution Chinzei Gakuin Management Improvement Plan and its Self-inspection and Evaluation Report. Improvements are thus required to ensure a secretariat and responsibility system that can check the accuracy of figures, etc.
