Good practices

- A cross-university career guidance system has been established centering on the Career Center Committee, internships or external practical training have in principle been made compulsory for all students including international students, and full job placement support is implemented. These initiatives are worthy of high evaluation.

Recommendations for improvement

- The fill rate of total capacity in the Department of Human Life and Sciences' Division of Education and Care is below 70% and improvements are required towards securing more entrants.
- With regard to the stipulation in Article 93, paragraph (2), item (iii) of the School Education Act that "the President shall stipulate important matters regarding education and research that require the opinions of the Faculty Council to be sought," improvements are required to develop and improve regulations.
- With regard to the stipulation in Article 93, paragraph (3) of the School Education Act concerning opportunities in which the Faculty Council "can discuss matters relating to research and education, and in response to the request of the President express their opinions," improvements are required to develop and improve regulations.
