

Hiroshima University of Economics (広島経済大学)

Evaluation summary

This university has demonstrated satisfactory compliance with the standards of the Japan Institution for Higher Education Evaluation.

Standards	Evaluation result
Standard 1. Mission and Objectives, etc.	Satisfied
Standard 2. Students	Satisfied
Standard 3. Educational Curriculum	Satisfied
Standard 4. Faculty and Staff	Satisfied
Standard 5. Management, Administration and Finance	Satisfied
Standard 6. Internal Quality Assurance	Satisfied

- In order to make specific the founding principle and establishment policy of the university, the “be student-oriented” concept is stipulated as a conduct guideline for faculty and staff, and the university continues to urge all the faculty and staff to understand and act on the guidelines. This initiative is worthy of evaluation.
- The Meitokukan facility that is equipped with learning commons functions is open from morning to evening even during the summer, winter and spring holidays with the exception of weekends and public holidays, and a system is in place for responding to the students’ eagerness to learn. This initiative is worthy of evaluation.
- With regard to the progress sheet tabulation results used in the evaluation of the state of acquiring “human strengths” among those who participate in the Kodokan Project, which is positioned at the core of the university’s efforts of fostering people of involvement and action who can “create something from nothing,” multifaceted analyses are conducted and used in improving student instruction. This initiative is worthy of evaluation.

Recommendations for improvement

None.
