Good practices

- The fact that as a music university in the Kyushu region the university is maintaining extremely high job placement rates is worthy of evaluation.

Recommendations for improvement

- The fill rates of total capacity of the Faculty of Music's Department of Music and Department of Early Childhood Education are both under 70% and improvements are required.
- The 2nd meeting of the Board of Councilors on June 28, 2021 was conducted in writing. Improvements are required.
- In order to secure a stable financial base, improvements are required including efforts to increase income through the stringent implementation of budget administration, the securing of students in line with the medium-term plan, an increase in the Subsidy for Current Expenditures for Private Institution of Higher Education, the acquisition of external funding, and the promotion of cuts in costs and other expenditure.
