### Good practices

- The Fountain of Learning self-study and joint-study system, which is a unique study model developed in order to achieve the mission and objectives of the university's incorporated entity, adapts the founder's thoughts to social change and clearly shows the specifically required abilities as well as serves as an assessment of learning outcomes; in addition, through the self-checks made by students in the Gakusen Notebooks and the opportunities for presentations in the Fountain of Learning Grand Prix, the system enables the deepened understanding of the founding principles. This initiative is worthy of evaluation.

### Recommendations for improvement

- The fill rate of the total capacity of the Department of Children's Life is under 70% and improvements are required.
- Concerning the matters regarding the inspection of faculty's education and research performance that are stipulated in the Regulations Regarding Matters Related to Education and Research Under the School Education Act that Are Stipulated by the President of Aichi Gakusen University as Matters that Require the Opinions of the Faculty Council to Be Heard, the opinions of the Faculty Council are not being sought and there is a need for improvements.
