Good practices

- In order to improve students' satisfaction levels and volition to study, the powder room in the ladies bathroom of the cafeteria has been remodeled, and the university swiftly responds to student requests where possible. These initiatives are worthy of evaluation.

Recommendations for improvement

- The fill rate of the total capacity of the Department of Economics, Faculty of Economics is under 70% and improvements are required.
- The university continues to fail to reach its total capacity, and there is an ongoing state of expenses exceeding income. Improvements are required towards achieving a fiscal balance such as making efforts to secure an appropriate number of students.
