Good practices

- Individual interviews are conducted by licensed psychologists with all new entrants, and while collaborating with education and learning divisions from an early stage the university is attempting to ascertain when students experience trouble or face difficulties. This initiative is worthy of evaluation.
- Based on the results of graduate questionnaires and post-job placement questionnaires, the university incorporates and runs courses related to computer and IT skill qualifications under the university-wide Sapporo Otani Career Guidance Program, and is implementing specific measures using the results of inspection and evaluation of learning outcomes. This initiative is worthy of evaluation.
- Inspection and evaluation of initiatives based on the three policies is commissioned each year to the Ward Office of Sapporo City's Higashi Ward where the university is located, and the university is inspecting educational effects regarding the three policies through an external party. This initiative is worthy of evaluation.
