Standard 6. Internal Quality Assurance	Satisfied

Good practices

- In order to adapt to social change, the university has rethought its founding principles and by revising its mission and vision has made a reality of the reorganization of its faculties, which is resulting in the steady securement of a full student quota. This initiative is worthy of high evaluation.
- In addition to the information required by laws and regulations, the university is enthusiastically publishing education-related data and questionnaire results on its website. This initiative is worthy of evaluation.

Recommendations for improvement

None.
